AND INTEGRATIVE MEDICINE

being heard is part of being healed

The human dimension in healthcare

- Beyond biomedicine
- A human dimension in healthcare curriculum?
- Healing general practice
- Valuing silence
- Poetry tools for doctors
- Human or machine?
- Why does it hurt so much?
- Anyone can sing
- Non-human 'intelligence'
- Healing touch for trauma
- Beyond the monoculture
- Practitioner art
- Patients' experience
- Student arts
- On being heard
- A fairy tale for the future
- Integration electives
- Including spiritual health
